Ricky, one of the many Cardinals at Southport High, gives from his plane a bird's eye view of the campus and student life OUT OUR WAY.

SOUTHPORT H.S., SOUTHPORT, INDIANA

ir Responsibilities Are Many ... But They Fulfilled All

Standing by the columns of our Southport High School are Mr. Robins and the senior officers . . . typical Cardinals OUT OUR WAY. Here we have found . . . on the gridiron . . . in the classroom . . . in the halls . . . work . . . play . . . laughter . . . tragedy . . . opportunity . . . dreams . . . friends . . . all of which help us to formulate a true purpose of life . . . and develop into characters which make a strong nation.

Rickey Strolls Down Memory Lane

Upper left: Keeping time to sentimental music are the "beaus and beauties" at the Junior-Senior Prom.

Upper right: "How shall we cope with a temperamental child" is the topic under discussion by Merrill Christie, Irma Swickard, Bob Booth, and Wilma Walker, during "New Fires."

Bottom row: "Three little girls far away in a dream" whose pensive mood implies "Wishing" as their theme—Della Mae Hartley, Patty Ziegler, and Loretta Young.

Bottom: Strolling on the campus is a group of "chattering" chicks who are making the most of a nice day . . . Left row: Hittin' high, Hittin' low! Yea Team! Let's go! Practicing during the third period are the cheerleaders—Suzanne Dampier, Don Hartley, and Barbara Dampier.

Hi-Pressure Rickies

Especially proud of their new uniforms are these two band members, Joyce Liechty and Wendell Leedy, high point salesmen of last year's magazine drive. Also pictured is Margie Tuttle, a twirler, whose uniform was purchased from the profits of this drive. The entire proceeds from the magazine sales in 1946 were used to purchase new band uniforms.

The 1947 magazine drive had a three-fold purpose: first, to purchase more stage equipment; two, to buy additional band instruments, and three, to obtain new mechanical drawing materials. In order to accomplish these aims, a goal of \$5000 was set, which was not only reached but surpassed. High point salesmen of this year's drive were Walter Rigdon, and Dorothy Huck, sophomores.

The Cardinals Dream Waltz

Peg

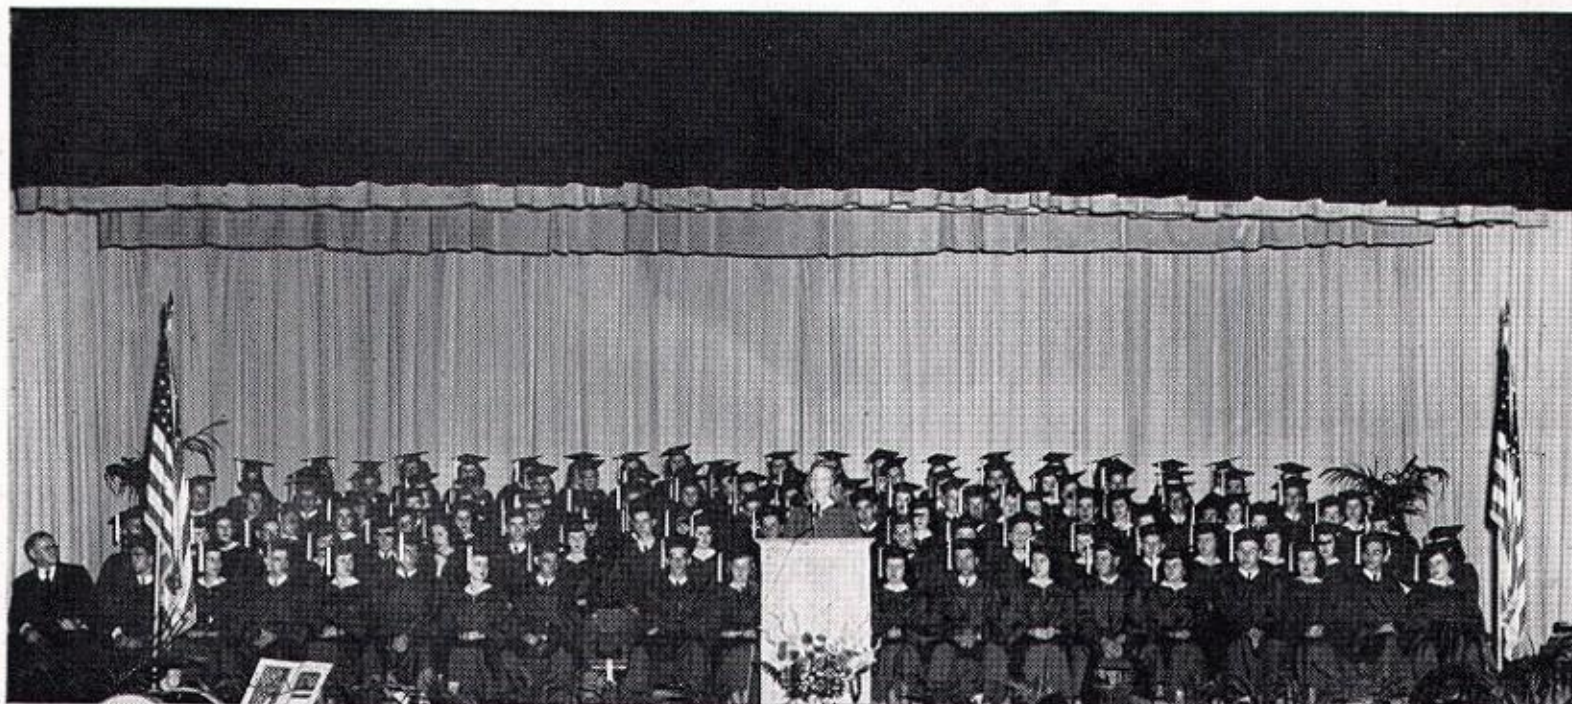

"A Waltz Dream," presented by last year's operetta cast is the tale of the loves of an American tourist and European royalty in little Sylvania, an imaginary bankrupt kingdom of Europe. The specialty chorus was composed of Wanda Storey, Carol McQuillen, Nellie Sherrick, Delores Hill, and Peggy Nabring.

It is true that at Southport, as in every other school, this term-end activity becomes the climax of the year. Each senior becomes overwhelmed with enthusiasm of visiting friends, anticipation of the future, and a certain air of expectancy.

We are proud of our group of 1946 graduates, and we seniors of 1947 anxiously await the day that we will join them in our places in this world.

Though close bonds of love and fellowship make these parting days sad, they are filled with the kindness and guidance that our patient teachers have shown us throughout our high school curriculum.

SUNRISE SERVICE

The Perry Township Easter Sunrise Service is an annual event at Southport which is deeply appreciated by the community as a whole. This year will be the tenth consecutive season for the service in which the nine churches and six schools of the township participate. The theme of the program is centered around the resurrection, which is portrayed in pantomime by students of the high school. Three choruses play important roles in the services by lending their voices to make the program even lovelier. There are the adult choir; the youth choir, directed by Mrs. C. Kaiser; and the junior choir, consisting of grade school students. Miss Blanche Penrod is in charge of the services, and is assisted by many departments of the school.

These Cards Keep Things

The Girls Athletic Association of Southport High School is now under the leadership of the newly elected officers: president, Betty Anderson; vice-president, Margie Tuttle; secretary, Anne Wade; and treasurer, Mary Lou Baker. Directed by their very qualified sponsor, Mrs. Miller, the girls are striving to create a better feeling and sisterhood among the members.

Senior-osity, composed of junior and senior girls who wish to attain high ideals in the standards of living, is an active girls' organization of Southport High School. The girls to be in charge of their activities for the coming year are: president, Joan O'Brien; vice-president, Rose Jeffries; Secretary, Maxine Haines, treasurer, Betty Watts.

Running Smoothly For Rickey

QUILL AND SCROLL

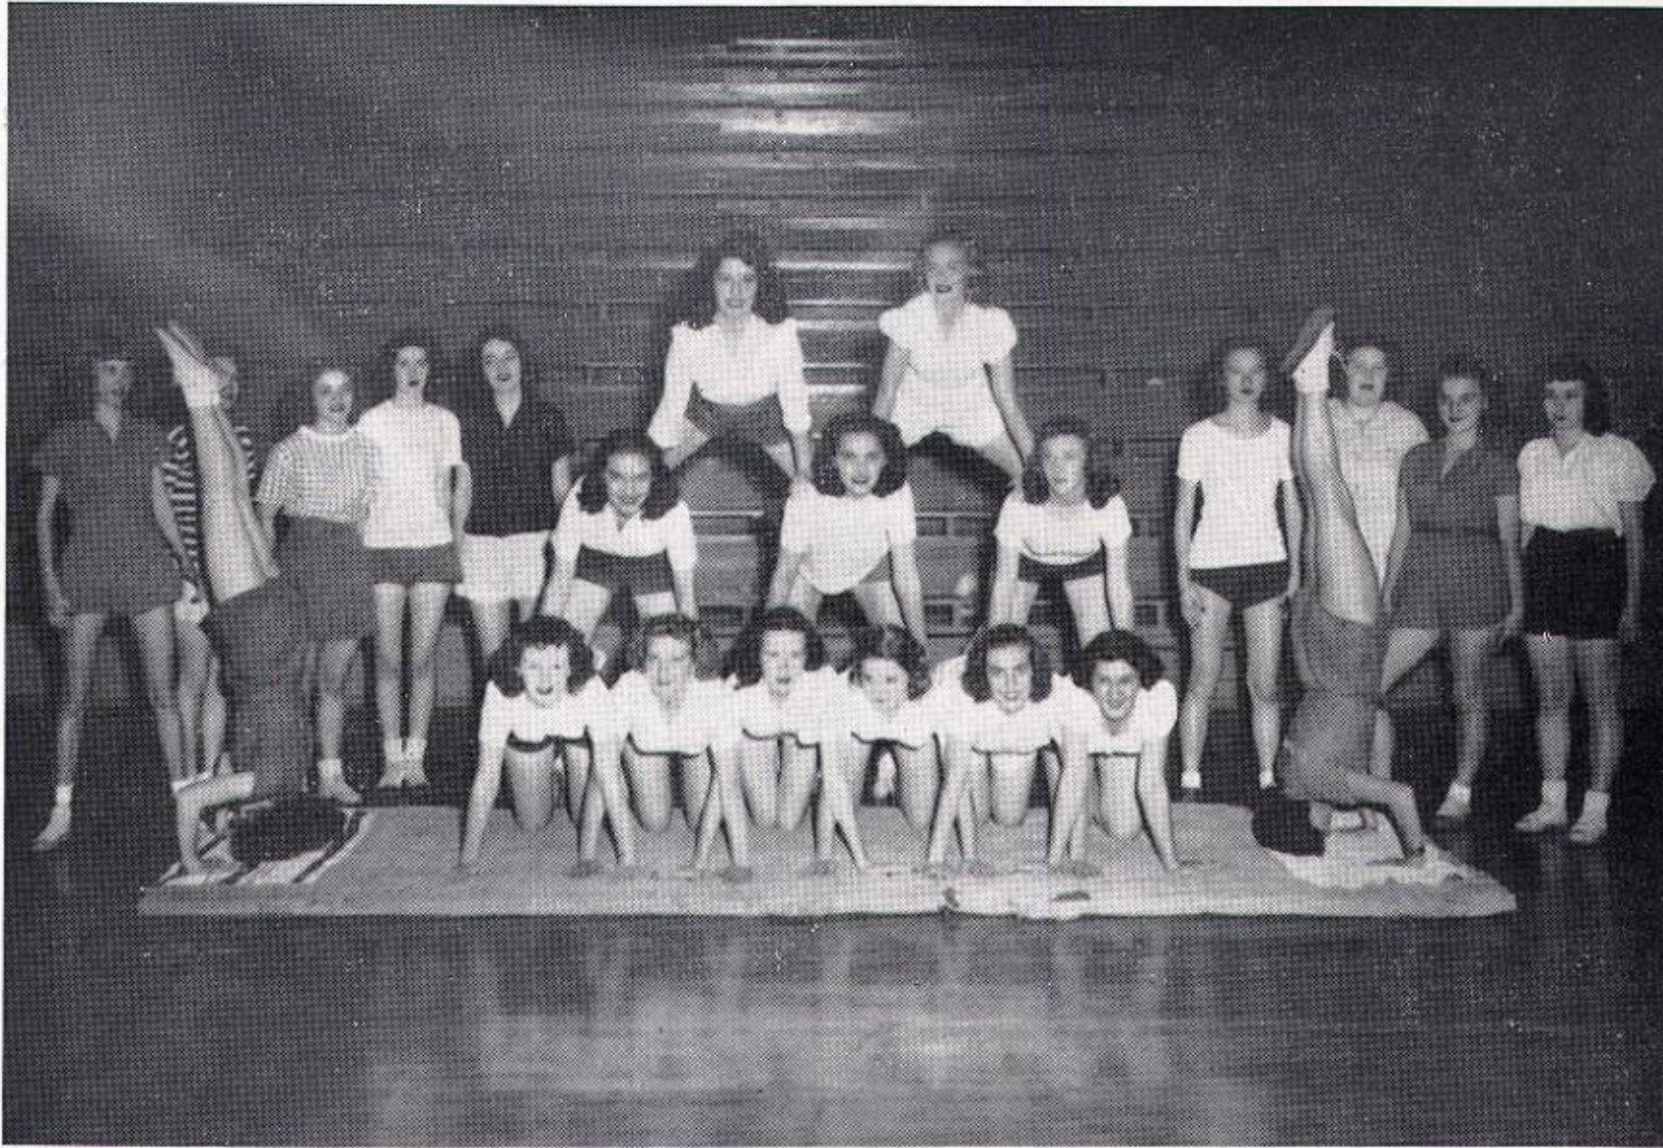

The newly organized Quill and Scroll, under the leadership of Miss Fraser, is constantly increasing its efforts to better the field of journalism.

This society was organized at Southport in 1946, and in its second year of operation has chosen these efficient officers: Sallie Copsey, secretary; Dorothy Brown, treasurer; Dolores Nerding, vice-president; and Irma Swickard; president.

Bottom: Mrs. Winans watches as the Cardinals draw on.

Top: Under Mrs. Miller's direction, we learn all—from baseball to tumbling.

To Mr. John W. George, the outgoing trustee, we express our deep appreciation for all that he has done for our school and us as individuals, during the past eight years.

This year, Southport High School welcomes Mr. Nelson P. Swift, the incoming township trustee. We wish him great success in his new office.

THE PEOPLE WHO LIVE

Out Our Way

Miss Penrod

Our understanding dean of girls, Senior-ority sponsor, and biology teacher, is a sympathetic friend of youth. She has been an inspiration for good conduct and diligence of study to each student under her leadership.

Mr. Leedy

The students' ideal principal, sponsor of the Student Organization, is a leader of the students, training each to take his place in the world a better citizen because of his high school years.

Mr. Kellam

Every student's friend, vice-principal, Booster Club sponsor, and guidance teacher, always is prepared to greet all with a welcome smile. Into each step he has put a part of himself.

Capable Executives Manage Cardinal

The students of Southport High School have made much progress in their work and ideals under the capable leadership of the faculty. In their untiring years of service, through the execution of their many important duties they have become greatly devoted to our will.

It was they who guided our first faltering footsteps when we first entered training; they who steadied us during the gales and storms that frequently beset us. Now it is they who acknowledge our fond farewells with words of wisdom and encouragement.

The Cards Chirp With Pride

It was way back in 1943 when Rickey and all his little cardinal friends timidly flitted their way into the austere portals of S.H.S. On the first day Rickey looked around and decided he liked his new nest. Joining in the numerous school activities he made many friends and soon became a loyal school booster.

Flying one branch higher each year, Rickey added new laurels through successful achievements in school activities and high scholastic attainments.

Now Rickey is about to shed his cardinal feathers to don cap and gown as a graduating senior.

Juniors, 1947

Junior Officers

Leading the juniors to higher heights are Mrs. Alice Black and the officers. Glenn Wilson was elected president for the school year 1946-47. Serving as vice-president is Bob Bidlack, and secretary-treasurer, Betty Anderson.

Dignitaries Sing For Rickie Jr.

The life of the junior members of Southport High becomes employed in the participation of the cherished activities of high school days. Those distinct memories of every upperclassman are the junior play and the junior-senior reception. This year our juniors chose a three act comedy, "You Can't Take It With You," as their feature attraction. Work on preparing the reception is conducted under the authorization of Mrs. Black. Another important duty of the juniors is to distribute those long-awaited class rings. But not all is work for Rickie's little helpers, which is evident when reviewing the class party.

Each junior now awaits with eager anticipation the experiences which their last year of high school holds for them.

Sophomores

Sophomore Officers

As leaders of the school year, the sophomore class of 1947 chose Wilbur Elsner, president; Joe Hurtle, vice-president; Sara [Sally] Ketcham, secretary-treasurer. Miss Marie Fraser is acting as class sponsor. She also teaches sophomore English, Journalism, and is sponsor of Quill and Scroll.

Birdies Chirp Their Second June

Even though the second year of the high school students career is often considered uneventful, Rickey has proven that a falsehood at Southport. The sophomores have shown themselves very industrious and have vigorously put forth their greatest efforts in supplying their class socially and academically. In every class there is a recognition of outstanding scholastic abilities, and from this the sophomores are not to be excluded. Each term they are well represented on the honor roll, and one of their members has attained a position on the Perry News Staff. It was also from the sophomore class that Southport was represented at the annual high school oratorical contest. Aside from all these intellectual efforts, social activities are also given due consideration. The "Sophomore Blow" was an excellent example of the good times that can be had by underclassmen.

Freshman Officers

Our wee fledglings are learning to use their wings under protective sponsorship of Miss Mary Tinder.

These little cards chose as their officers, Ralph Yount, president; Stanely Ellis, vice-president; and Clara Mae Junken, secretary-treasurer.

Chief Fledglings

Rickey says, "It takes a freshie to make a senior." When these young birdies become seniors, S.H.S. may be proud of her upperclassmen.

Getting used to high school isn't easy, but they enjoy the activities from dances to ball games. Don't let anyone fool you, they aren't so dumb.

Rickey's wee fledglings have really stretched their wings this year. Each has been busy with his contribution in the Magazine Drive, Orchestra, Band, and Booster Club. Their annual party is always an enjoyable affair in the life of the freshmen.

Rickey blasts the Revelries out our Way

Rickey's activities are real fun . . . the type that develops stronger school spirit. They lay the foundations for living together. These examples of democracy we proudly call ours.

The birds who govern and represent us

HONOR SOCIETY

Members of the National Honor Society are chosen by a committee of faculty members. Actual mathematical ratings are computed for both grades and activities making it necessary to have a well rounded personality in order to be initiated into the organization. The four cardinal principles of the society are leadership, scholarship, character, and service.

Honor Society executives are Irma Nelson, president; Bob Booth, vice-president; Lois Copeland, secretary; and Sallie Copsey, treasurer.

STUDENT ORGANIZATION

The Student Organization consists of the four class presidents and one student representative elected from each home room. Under the leadership of Mr. Leedy, this organization sponsors, through-out the year, the sale of tuberculosis bangle pins, and the magazine drive.

Carrying on the work of the Student Organization is the president Stephen Osborn, plus the other officers; Beverly Baird, vice-president; Meriam Brewer, secretary-treasurer.

The Smartest Birds Around

Three of the most important organizations in our school are the National Honor Society, the Student Organization, and the Quill and Scroll. All three groups endeavor to make our school and community better places in which to learn and live.

It is the ambition of each good student to belong to as many of these organizations as possible. Members of the Student Organization are elected by the students, and members of the Honor Society and Quill and Scroll are chosen for their interest and participation in school activities. Personality ratings are made for each student by all his teachers. Such things as honesty, industry, initiative, poise, co-operation, and courtesy are recorded.

Seated, left to right: Rosemary Arndt, Betty Anderson, Sallie Copsy, Wilma Walker, Dolores Nerdling.

Standing: Carol Ketcham, Beverly Cox, Virginia Phillips, David Yount, Irma Swickard, Dorothy Brown, Nancy Ford, Miss Fraser, Sponsor.

HI-Y

The 1947 group of Hi-Y boys have well attained the reputation of "clean speech, clean sports, clean scholarship, and clean living." Their present officers selected to carry out these ideas of brotherhood are: David Yount, President; Bob Dugdale, Vice President; Dale Bough, Secretary; Joe Tipton, Treasurer; George Huber, Chaplain; and Sargent of Arms, William Fleener. This boy's organization was represented in the State Older Boy's Conference at Kokomo, the fall conference held at Decatur Central, and the spring conference at Ben Davis. Southport is proud of the many salutary functions that is sponsored by the Hi-Y boys. Included among them are a clothing and food drive, and a visit from Mr. Liddle, the State Secretary of the Y. M. C. A.

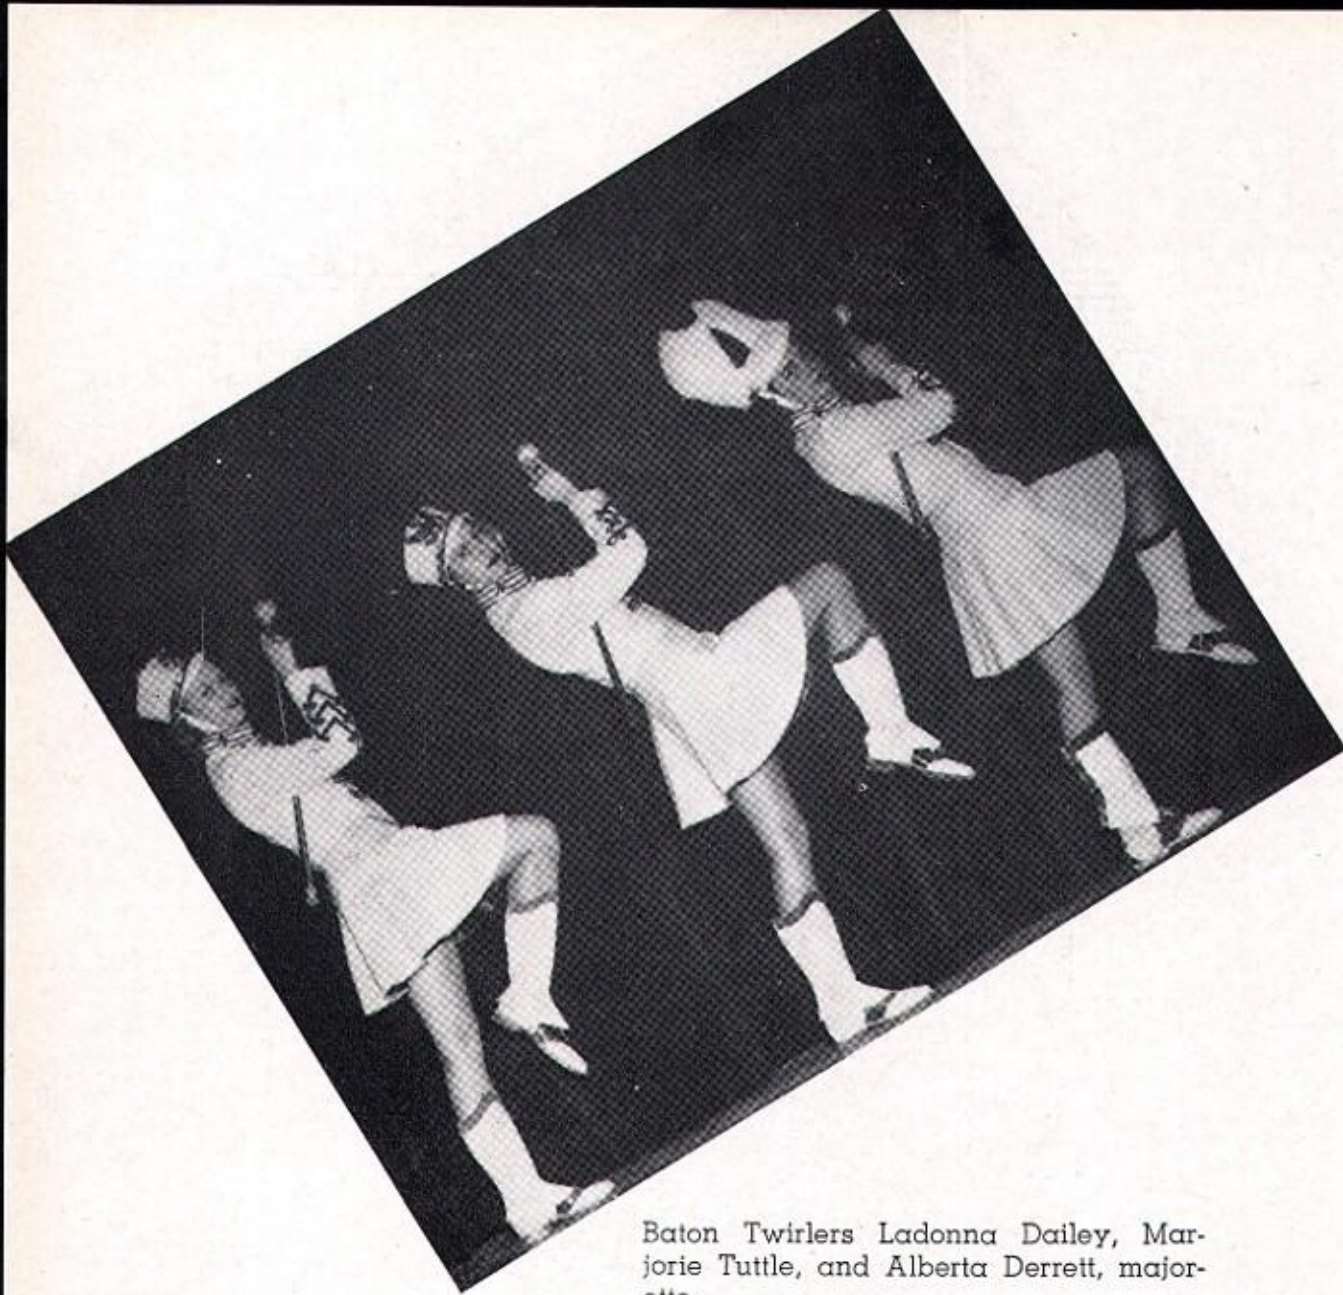

G.A.A. & SENIOR-ORITY GROUP PICTURES

Pictured above and to the left are the sophomore, junior, and senior girls who participate in the major operations at Southport. Rickey provides them with many individual tasks, which benefit both the student and organization. In the Girl's Athletic Association enjoyment and development of skill is afforded through their many activities, including play nights, and dances given in honor of our athletes.

Each member of Senior-Ority is greatly inspired by their perceptive leader, Miss Penrod, to develop in themselves a greater personality and love for the beautiful. Included in their activities are the Mother and Daughter meeting, a Christmas banquet and a senior luncheon.

Hi-Steppin'

Baton Twirlers Ladonna Dailey, Marjorie Tuttle, and Alberta Derrett, majorette.

What would a band be without majorettes? Five pert twirlers and a competent drum majorette keep the ranks straight and guide the marchers through their parade routines. "Struttin' their stuff," twirlin' their batons, these six lively lasses make quite a display!

Ricky says, "I. Warble for our band director!" This year's conductor inspires the band with pep and vigor and makes the band class interesting with many new ideas. Under his leadership the organization is improving its playing ability, and gaining experience in public performance.

Marching for three games, the band, decked out in brand new uniforms, has made such intricate formations as a Christmas tree, lighted candle and a little red caboose. We should like to pay tribute to the hard working "tooters" who added zest to our football and basketball games. We might add that those net-side seats, reserved at every game for bandsmen, are envied by the outsiders

The first formal concert by our instrumental music department was given February seventh. On a bitter cold night the players tickled our musical palates with such selections as "Cypress Silhouettes," "Sequoia," "The Three Jacks," and "Pigskin Pageant." We were proud to find our fellow students performing before an audience in concert style. This program, the State Band Contest, and Commencement concluded a busy year of activities for the Southoort Band.

Orchestra "Stringin' Along" With Rickey

The stringed instrument players, who are the nucleus of the orchestra, rehearse each day. They are joined by the woodwinds, brass, and percussion in rehearsal and performance of full orchestra numbers. The orchestra played on our Christmas program and presented the first evening concert in which both the orchestra and band participated. This concert, which was given in February before a large audience, included the "Serenade" from the 'Student Prince,' a novelty string number "Jazz Pizzacato," an excerpt from Hanson's second symphony, the Bach double violin concerto, and the "Little Rhapsody in Blue."

On May 3, the orchestra competed in the State Orchestra Competition-Festival at Bloomington. Southport also had a good representation at the State Solo and Ensemble Contest. Soloists and ensembles from both the band and orchestra entered this auditions program.

The orchestra furnished the instrumental music for the operetta and concluded the school year by playing for the Baccalaureate service.

Chorus "On the Wings of Song"

Our choruses enrich our Thanksgiving, Christmas, Easter, and Baccalaureate services with their beautiful sacred selections.

Directed by Mrs. Kaiser, they gain experience by public appearances and learn the fundamentals of music.

In the fall a quota is sent to the State Choral Festival. At Christmas they carol on the Monument Circle, and in the spring they participate in the Marion County Choral Festival. Throughout the year concerts are given at different churches and schools.

Future Farmers of America

Farmers of tomorrow are organized at Southport under the title "Future Farmers of America." Their able sponsor Mr. McCormick has accomplished the purpose of teaching varied successful methods of agricultural work. The boys are fortunate in being able to share their many discoveries and ideas in the farming field. Each member enjoys annually a camping trip, aside from the many other activities that they sponsor.

This year the boys have chosen as their leaders: James McCallie, president; James Clark, vice president; Oscar Stone, secretary; Jack Butsch, reporter; Charles Fesler, treasurer.

Future Business Leaders of America

The commercial teachers of Southport High have organized the Future Business Leaders of America, of which the sponsors are Mrs. Janert, Mrs. Weaver, and Mr. Miller. Living in the present day industrial and commercial environment they feel it necessary to create interest and promote knowledge in the commercial field. In order to foster scholastic endeavor, this club awards medals each year to students having attained a high average in their business work. The main event of the club's activities is a trip taken in the spring of the year to any one of the state parks. Last year Southport was one of 50 schools in the United States to receive honorable mention awards, and the classes this year are striving to maintain, or possibly improve, this record.

Future Homemakers of America

The Future Homemakers of America is a National organization of Junior and Senior High School students.

Students who have had one semester of training are eligible for membership. Four degrees of achievement are attainable: Junior Homemaker, Chapter Homemaker, State Homemaker, and American Homemaker. Symbols for each are, respectively: Key, Scroll, Torch, and Rose. The colors are Red and White; the flower, Red Rose. The motto is "Toward New Horizons."

The purpose of this club is to enlarge and broaden the aspects of class work in Homemaking, believing that the home is the basis of all life and that individuals are a product of the home.

There are 2,487 chapters with 92,516 members in 42 states of the United States and in the territory of Hawaii.

Anchor To Shore

Last October when the faculty committee assembled to choose an Anchor staff, they decided somewhat to alter the usual procedure for they did not select an editor-in-chief or an assistant editor.

In this manner they left the field open for the student or students evincing the most interest in the book and allotting the most time to compiling it would be so honored.

Five juniors were added as understudies to seniors so that by their experience gained this year they would be better equipped to make Anchor staff in their senior year.

Perry News... Power of the Press.

Official recorder for Rickey's home is the Perry News, the monthly four-page publication which is edited by a group of journalism pupils.

Printed eight times during the school year, it contains a wide assortment of articles ranging from news stories, features on pupils and their activities, editorials, sports write-ups, and contributions from other writers in the school.

Designed to give recognition and publicity to all classes and pupils, the paper is for the pupils, faculty, administration, merchants, parents and other adults in the community.

The Perry News is affiliated with International Quill and Scroll, Indiana High School Press Association, and National Scholastic Press Association.

The Fledglings Try Their Wings

This year, for the first time, four underclassmen have been appointed to the Perry News Staff to cover special stories concerning their respective classes. The appointees consist of three juniors and one sophomore. Of the juniors, Dolores Nerdin and Nancy Hendricks have been chosen to write features and handle junior class publicity. Bob Bidlack covers sports. Patty Miller, a sophomore, will write up sophomore and freshman features.

From Left to right are pictured: Dolores Nerdin, Nancy Hendricks, Bob Bidlack, and Patty Miller.

"Classica Sodalites" is the name our young Caesarites have chosen for their club. Under the sponsorship of Mrs. Majors, the students celebrate ancient Roman festivals such as Halloween, Saturnalia, Lupercalia, and Marius.

Rickey's Little Aides

We owe a vote of thanks to our competent office girls who ring class bells, answer the telephone, and willingly run errands. Our librarians deserve credit for taking care of a tedious job. Our "very efficient secretaries" also earn our praise for the fine way in which they handle the business of the teachers.

LETTERMEN'S CLUB

Membership of the Lettermen's Club is a goal that every boy at Southport strives to attain. It is not only a merit of sportsmanship, but also an organization devoted to the betterment of the high school. Under the leadership of Mr. Ray Linson, this club co-operates in promoting and raising the standards of athletics.

After each sport season an induction is held by the members. It isn't difficult to determine who the initiates are, for they invariably eat standing up and their color is similar to that of Rickey's. This year the new victims are Harry Arthur, Ray Bertram, Don Buck, Marvin Christie, Merrill Christie, Claude Dale, William Doll, Robert Dugdale, Richard Engleheart, Eddie Hebble, William Howard, George Huber, Eugene Lakey, Richard Minor, Don Smith, Richard Sturm, Bob Wheeler, and Kenny Wheeler.

Rickey Investigates Kitchen Equipment

The Home Economics Foods Laboratory has been furnished with new equipment. The kitchen has been supplied with seven foot sinks for each unit, four electric ranges, two gas ranges, and an electric seven foot refrigerator. The stoves are of deluxe and inexpensive quality to give varied experience for the girls who do the cooking. The walls were painted a canary yellow for light.

Cards . . . Birds of Wisdom

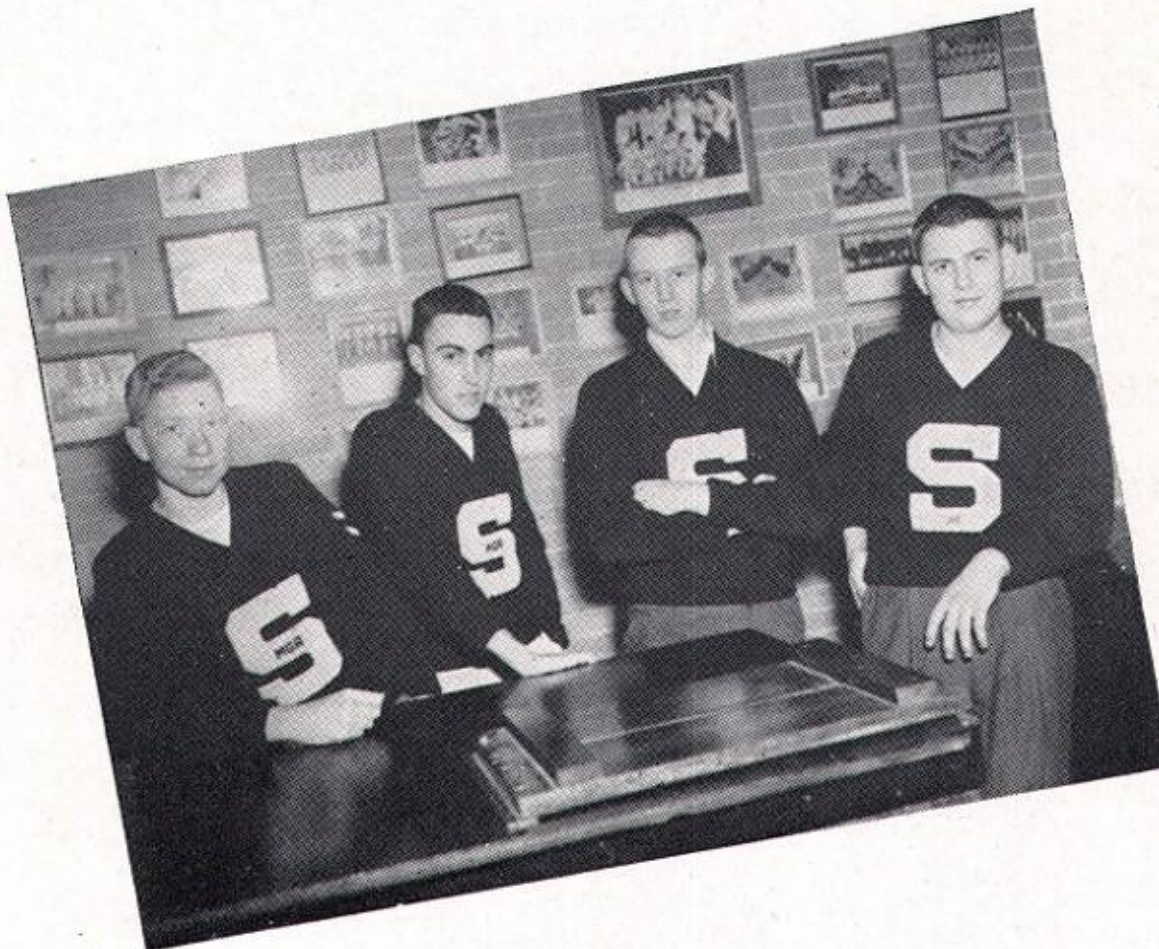

Rickey is a proud bird and well he should be, for Southport's Athletic teams had an excellent season and brought much glory and honor to the high school.

The basketball team, one of the best in the Card's history, won the 1947 Indianapolis Sectional by defeating four tough opponents in two days. All the victories were won by the narrow margin of five points or less. The Cards started on the victory trail by defeating their arch rival, Shortridge, by the score of 32 to 31, Friday morning. Friday night the Cards beat Ben Davis, 55 to 49 hitting the basket for the brilliant percentage of .331. Saturday afternoon the Lawrence Bears felt the power of the Cardinals and fell 37 to 33. In the very fast championship game, Southport outlasted Warren Central and brought home the sectional nets by the score of 39 to 35. This is the third sectional crown Southport teams have won. Other Cardinal Champs won in 1924 and 1939.

Rickey demonstrates that it takes practice to win such a trophy as is shown above him. This trophy is the one Marion County gives to its champion football team. Southport won this honor by defeating easily all of its county opponents.

Managers

Recipients of much work and little praise are the hard working managers. They are responsible for the multitude of athletic equipment which must be marked, handed out, and checked off in the player's name that receives the gear. They have many other duties, such as, lining the football field, sweeping the gym, and working on the ball diamond.

Managers are chosen by the coaches and approved by the principal. For one year's service a letter is given and for three year's service, a senior member receives a jacket. Also, all managers are admitted to home games free.

FOOTBALL

With six returning lettermen from the preceding year, the '46 Southport football boys won 4 games and lost 5, all the losses being by a very close score. Red Haviland in his first year as head football coach, directed a team which showed remarkable courage and endurance for their size.

Senior lettermen the Cardinals will lose are Robert Ashman, Jack Bryum, Bill Fleener, Joe Tipton, Kenny Bridges, Captain Dave Yount, Richard Baker, George Huber, Bill Howard, Merrill Christie, Jack Dietz, Richard Sturm, Bill Doll, Eugene Lakey, Bob Dugdale, Jack Webb, Don Smith, John Hoss, Art McClain and Don Ellis. Only two letters were awarded to underclassmen. These went to Harry Arthur, Junior quarterback, and Bob Wheeler, Sophomore half-back.

Doll—20, and Bob Dugdale—38, saw some fast action during football practice.

Cardinals Spar With Pigskin Rivals

The fighting Cardinals started the 46 football team off with a bang by avenging a defeat inflicted last year by Warren Central by defeating the Warriors 12 to 0.

Then in the next two games, the Cards walked over County rivals, Ben Davis and Lawrence Central to the tune of 45 to 0 and 26 to 6, respectively.

Southport's arch rival, Shortridge, next visited Roosevelt Stadium. The game proved to be such a bitterly fought contest that Coach Haviland remarked, "It is the best high school football game I've ever seen." Shortridge managed to win by virtue of a pass in the last minute.

Four more strong city squads in succession engaged the Cardinals under the lights. All succeeded in outscoring the Cards, but never outplayed them in spirit as the very close scores will show. With the County championship hanging in the balance, the Cards played Decatur Central in the mud and emerged with a 6-0 victory and the trophy.

Redbirds Make The Basket

CARDINALS . . . SECTIONAL CHAMPS!

Southport's basketball team made an excellent showing this season and gave their rooters plenty to cheer about. Much of the credit for the Cards fine play must go to their coach, Jewell Young, who in his first year as head coach, has developed one of the best teams in the Cardinals history. Mr. Young was an All-American basketball player himself while at Purdue and was, before the war, one of the outstanding players pro basketball had to offer.

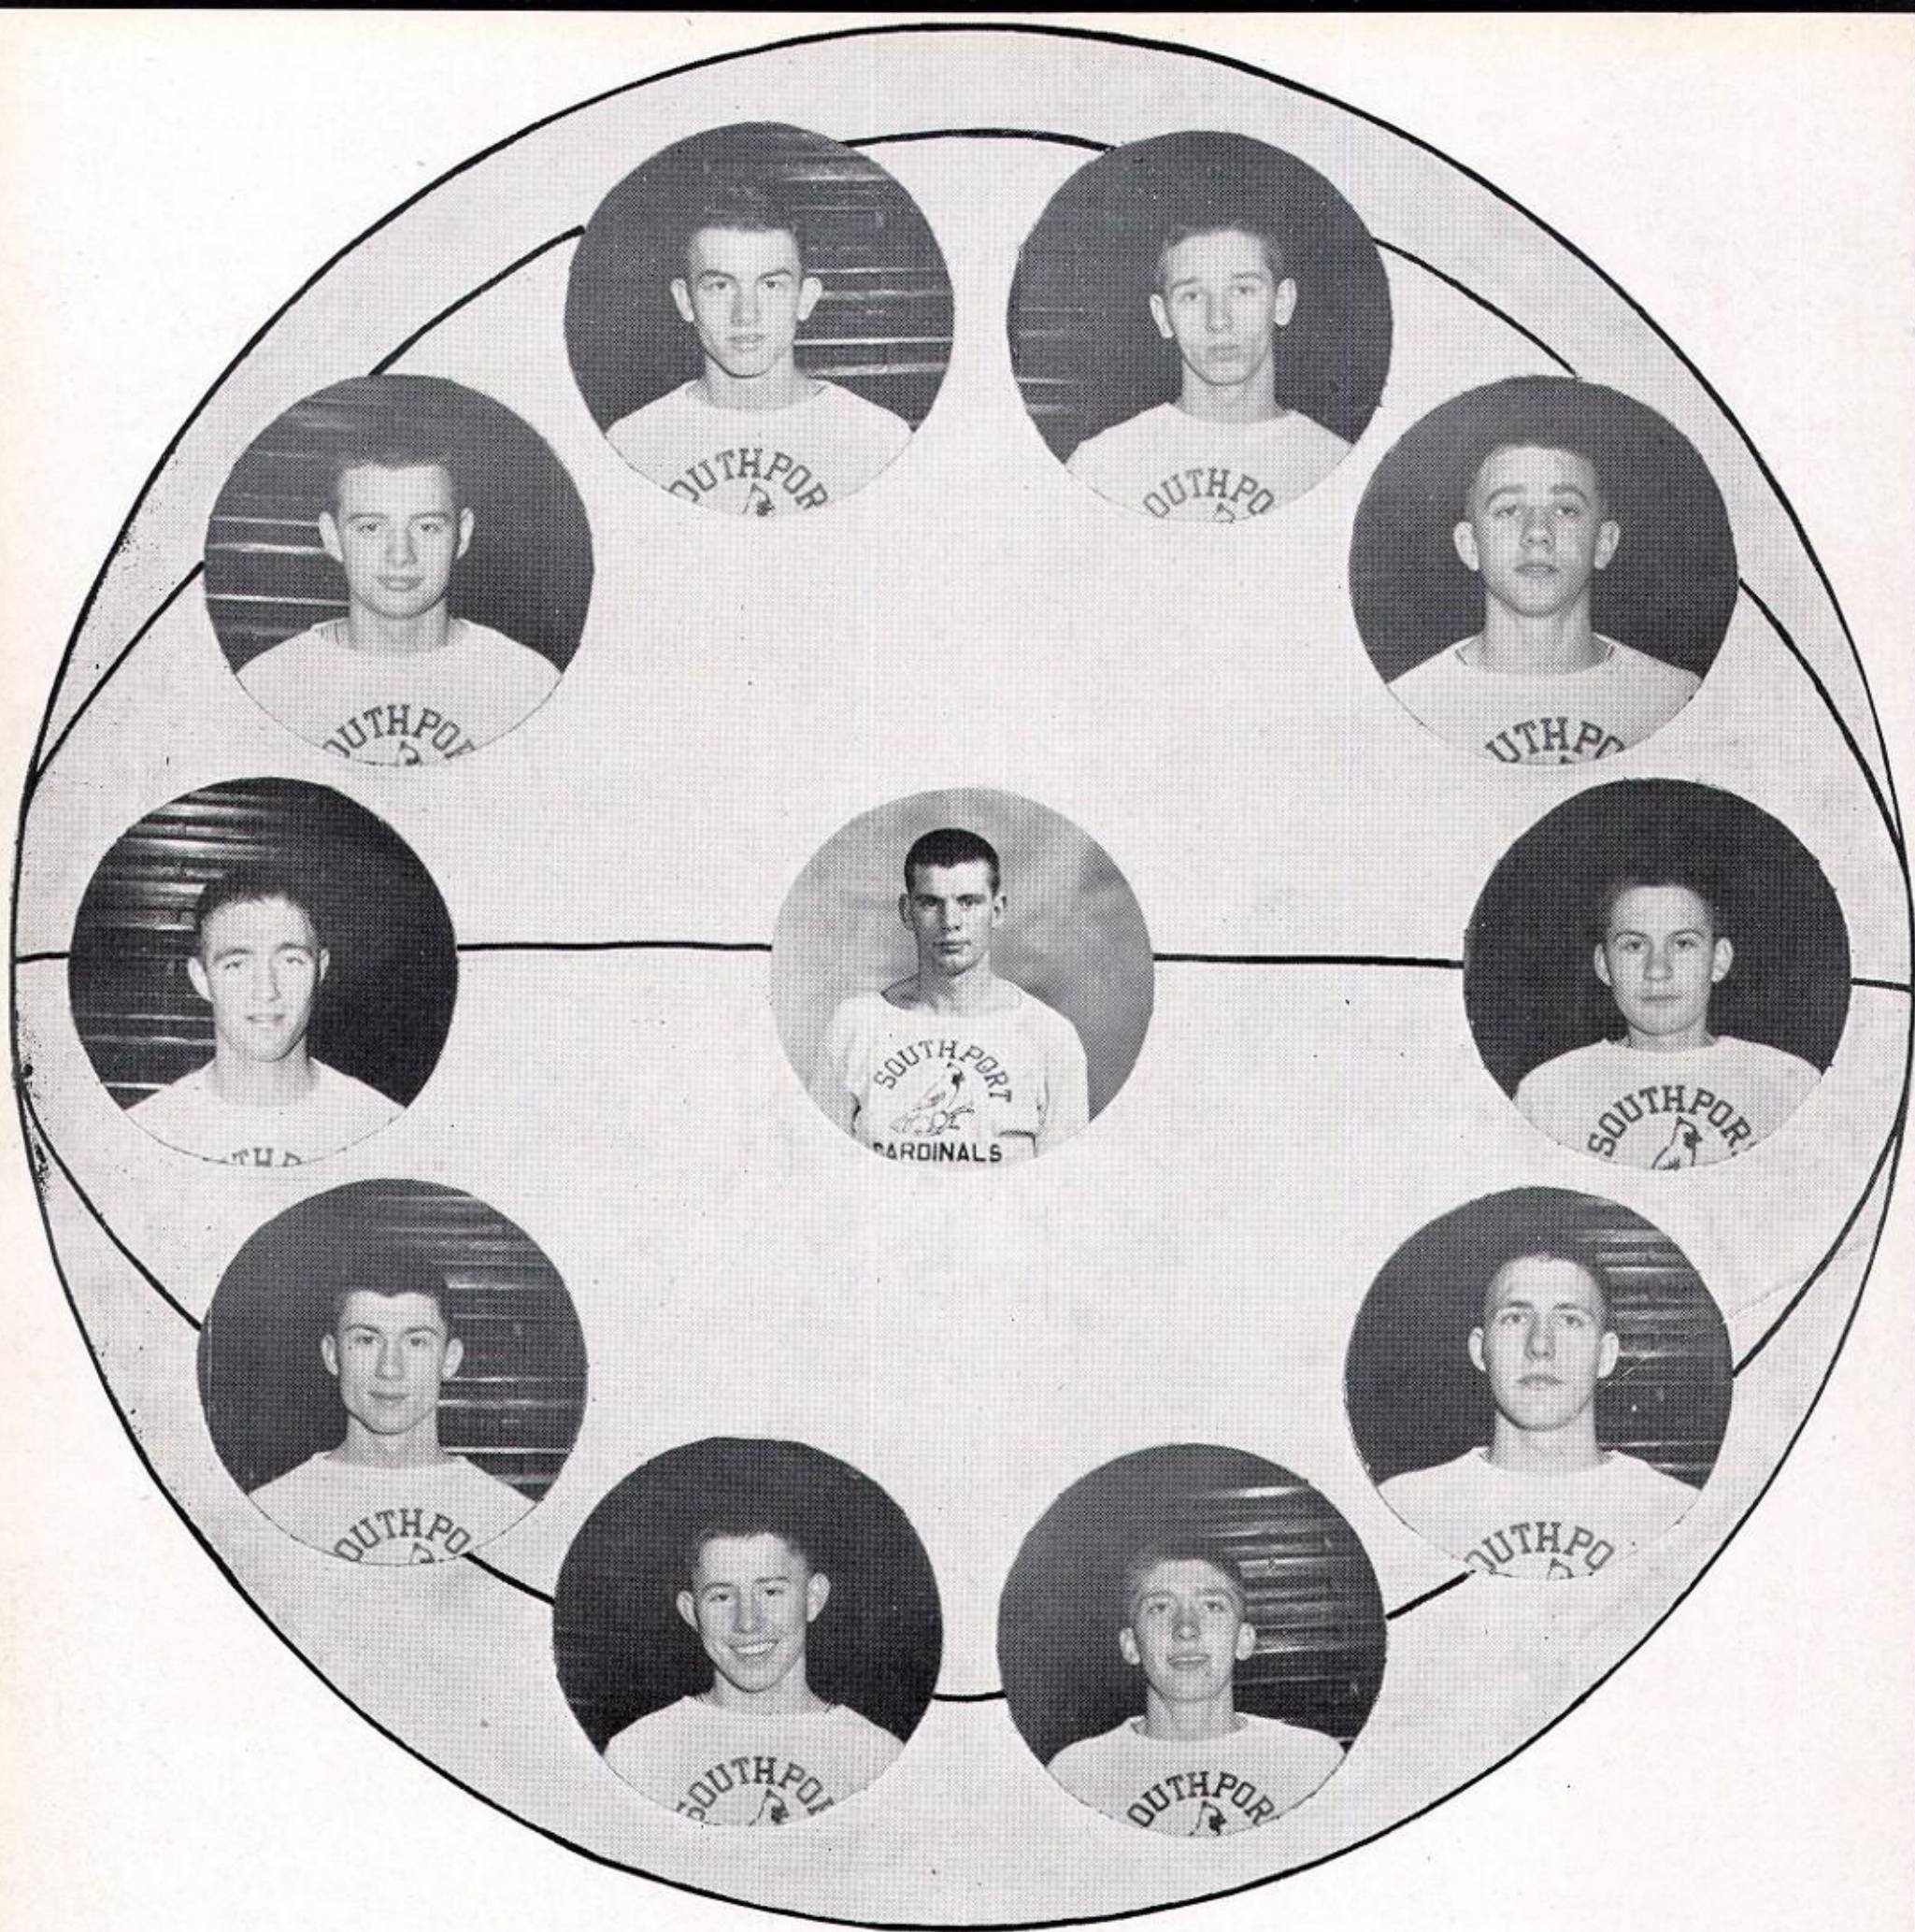

Praise, of course, must also go to the players. All played their hearts out in every game and bore up under their losses with fine sportsmanship. Special mention must be given to Kenny Bridges who has led the Cardinal basketball teams the last three years. His fine spirit and general all around play made him one of the best players in the state.

The second team also enjoyed a very successful season and prospects for next year look very bright.

BASKETBALL

The Cardinals basketball team got off to a roaring start winning six of their first seven games. They then engaged in a four-team tourney, December the twentieth. In one of the highlights of the season, the Cards won over Tech, 33 to 30. At night they played the strong Shortridge squad and lost 37 to 33. After this set back, the Cards beat Greenwood, lost to Warren Central and entered the County tourney with a record of eight won and three lost. In the first game of this tourney the Cards lost a heart-breaker to Lawrence Central by the score of 38 to 37. Springing back from their tourney defeat the Cards beat Ben Davis only to lose to the strong Tolleston of Gary squad, one night later. The Cards then lost the next three games, two of these being by one point and ended their season by beating Decatur Central and Martinsville. Their season record read eleven victories and eight defeats, four of which were by a close margin of one point and three others by four points.

As this book goes to press, the red and white Cards are anxiously anticipating their sectional clash with the blue and white Shortridge rivals.

The Cards baseball team of this year is looking forward to an excellent season under Coach Ray Linson. Six lettermen are back to insure this prediction.

As this book goes to press before the baseball season starts, it is impossible to say who will form the starting nine, but competition is expected to be keen for all positions.

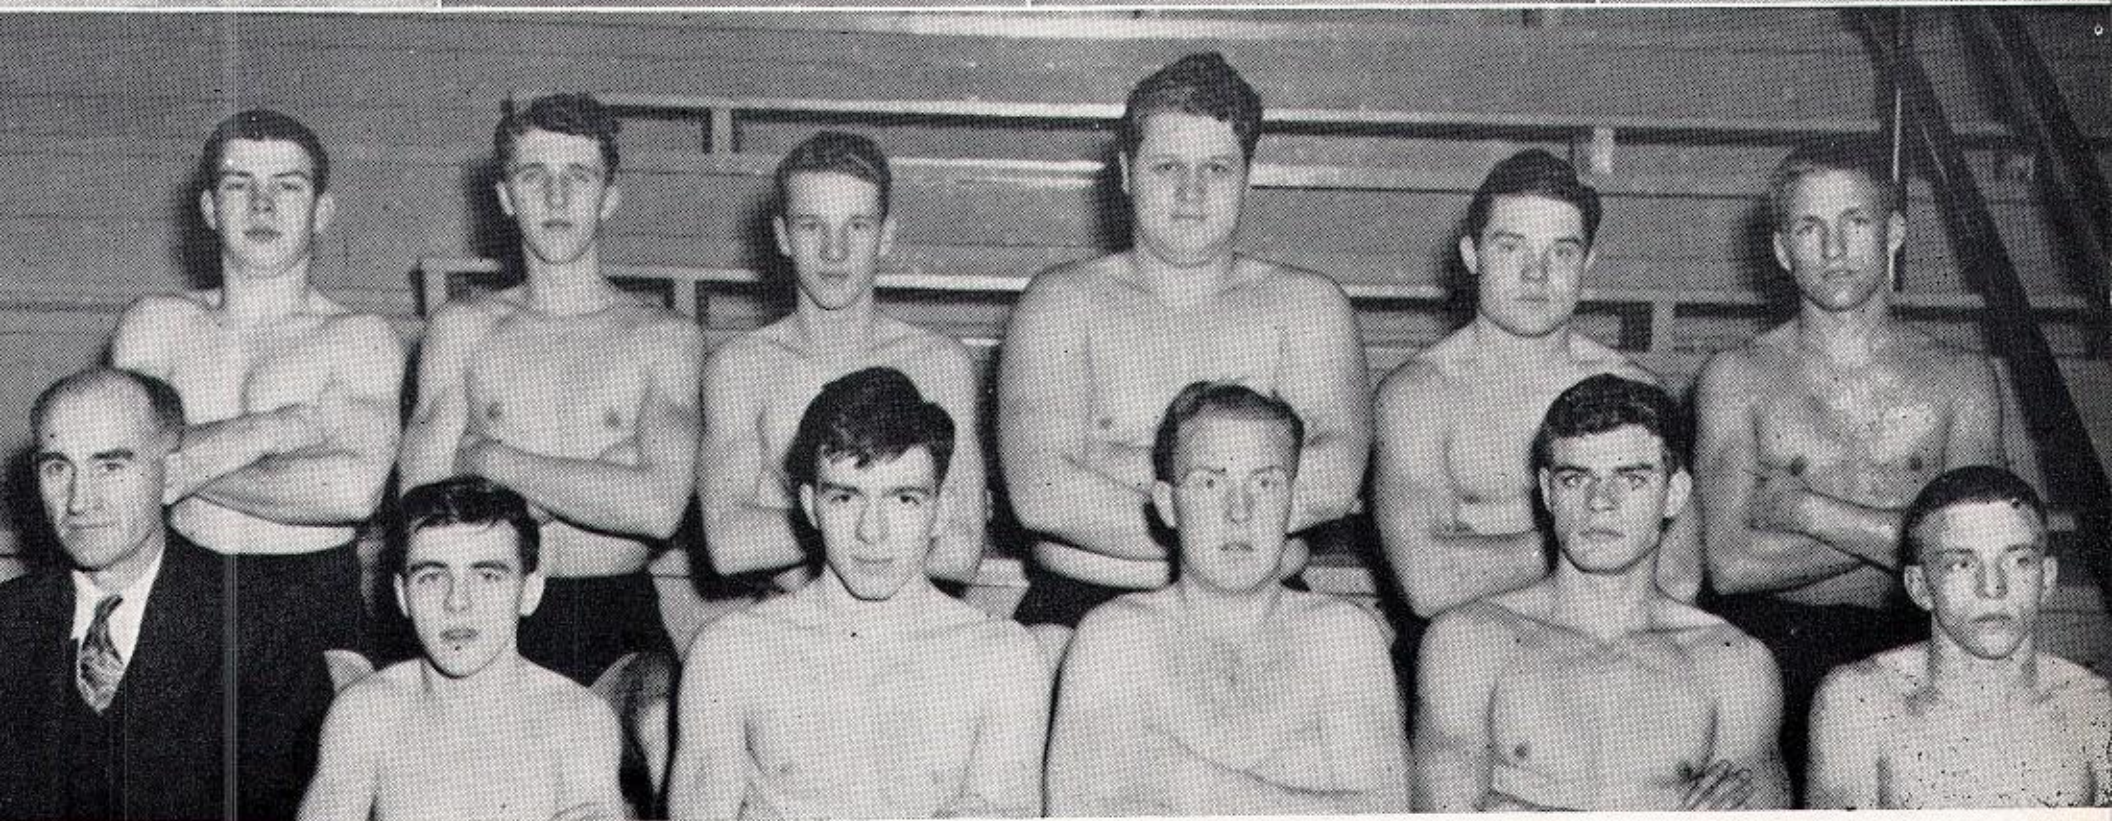

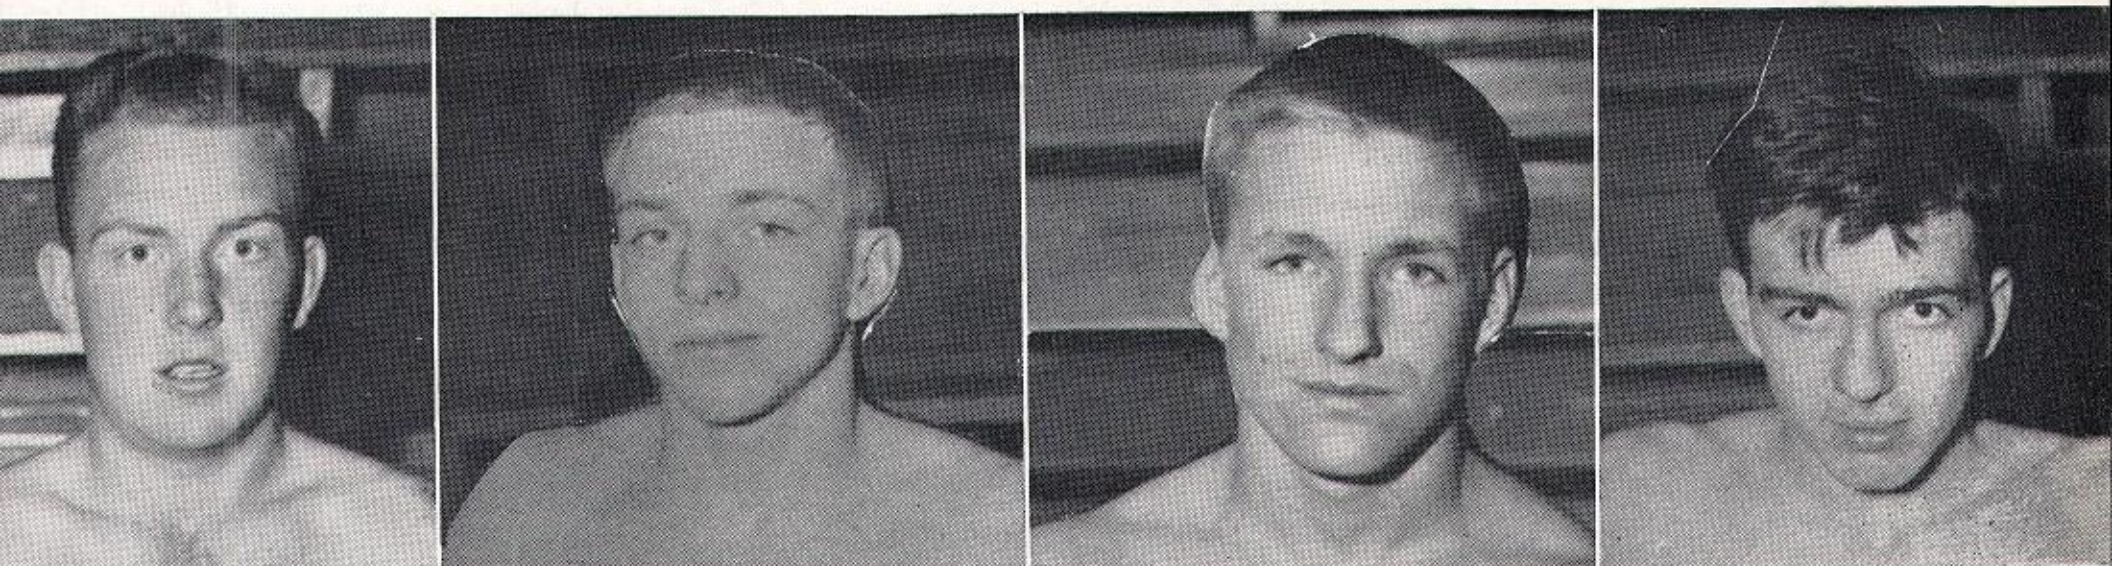

Wrestling Redbirds

Scuthport due to the fine showing of her wrestling teams is fast becoming recognized as one of the top teams of the state in this sport. The team did very well this year, defeating Muncie twice and Lafayette, while losing to Crawfordsville and Bloomington. In the state meet the Cards placed third with eight of the ten boys making up the squad winning places.

Dave Chance brought home most of the glory by winning the state championship in the one hundred and forty five pound class. Other boys who placed are Eddie Hebble, fourth; Bud McCauley, third; Harry Arthur, fourth; John Hoss third; Bob Ashman, third; Don Ellis, second; and Bill Howard, second. Of this group only Harry Arthur will be back to bolster next year's squad.

Coach Haviland should well be proud of his fine group of grapplers

Father and Son Banquet

The annual F.F.A. Father-Son Banquet is the high light of the year's activities for the Southport Chapter of Future Farmers of America.

The F.F.A. members give the banquet in honor of their Fathers, and each boy has his Dad for his special guest for the evening. An interesting and varied program is planned and presented by the club members each year. This year the movie "The Green Hand," a story about a typical F.F.A. boy, was the outstanding feature of the program.
